Mucho Ultima Manhattan Beach

Mucho Ultima Manhattan Beach Restaurateur/hotelier Mike Zislis (Rock 'N Fish, Shade Hotel) has radically remodeled the Manhattan Beach space last home to Michi, creating Mucho Ultima Mexicana, a modern Baja fantasy of margaritas, ceviche and more serious entrees like Chilean sea bass; the prices are low, the bar is long and the place to sit is at one of the tables by the floor-to-ceiling windows, which roll open on a warm day.
